VIDEO EDITOR · MOTION DESIGNER · VISUAL STORYTELLER

Creative, results-driven editor and motion designer working across video editing, motion graphics, graphic design and interactive web. I build high-retention edits, considered motion treatments and custom After Effects tools that speed up multi-client pipelines — and helped grow an education channel from 3K to 290K+ subscribers.

EXPERIENCE

Video Editor & Motion Designer

NOV 2025 – PRESENT

Digital Orix

- Performance-led editing across ads, reels, documentary intros and podcasts.
- Build high-retention hooks and motion treatments for multi-client creative pipelines.
- Develop custom After Effects utilities and editing plugins to cut repetitive work.

Social Media Intern

JUL 2024 – JUL 2025

Anand International College

- Grew the college YouTube channel from 3K to 290K+ subscribers.
- Led strategy across educational, comedic, short- and long-form content.
- Created 150+ digital assets and hundreds of custom thumbnails.

WordPress Developer

JUN 2023 – AUG 2023

Tribal Connect

- Delivered a mobile-first UX/UI overhaul, restructured the blog and improved foundational SEO.
